Gaze upon the celestial galaxy with sound art made with NASA's otherworldly collected recordings.

## Speaker Panel

Falvey Hall / 8pm

Hear from NASA employees and other space aficionados about the current climate of space exploration.

SOUNDS  
OF  THE  
UNIVERSE

The background features a large, stylized graphic composed of several concentric circles in various colors (purple, red, blue, yellow) and radiating dashed lines in shades of purple and pink. The text 'SOUNDS OF THE UNIVERSE' is centered at the bottom, with 'SOUNDS' on the first line, 'OF  THE' on the second line, and 'UNIVERSE' on the third line. The  is highlighted with a blue border.
